[www.moldfoodfestival.co.uk](http://www.moldfoodfestival.co.uk) epost/email: [info@moldfoodfestival.co.uk](mailto:info@moldfoodfestival.co.uk)

**Croeso/Welcome** to the Mold Food and Drink Festival [MFDF]. If you are a returning exhibitor you know how successful it is, if you are a new exhibitor then hopefully you will find it pleasurable and profitable. We are now into our 14<sup>th</sup> MFDF and as such we hope it will be very special for all.

The following information contains all the details you need to know so please take some time to read it carefully. We ask that you complete all forms fully as omissions or errors cause us unnecessary problems and are very time consuming. If you have any queries and/or questions do not hesitate to get in touch. We try to be as supportive and as flexible as possible in accommodating specific requests but as well as entertainment and shows we have over 120 exhibitors to coordinate so unfortunately some things are not possible.

## **Man Arddangos / Exhibitor Stands**

The space that you hire will measure 3m x depth of 2 meters. Each space will be provided with one table measuring 6ft. [1.83m]. Stands must be hired and manned for the full two days with trading continuing until 5.30pm on Saturday and 5pm on the Sunday. Exhibitors must not pack away before the end of the Festival, this is very important as late afternoon visitors should enjoy the same opportunities as earlier visitors and packing away should not pose a risk to the public. Exhibitors who breach this rule will be banned from future MFDF.

There are no specific lights to individual stalls so in your calculation for electricity please bear this in mind. The marquee is illuminated by overhead strip lights.

Please specify the height of your stand if applicable and any information boards etc. that you propose to use as a backdrop.

## **Chalets, Vans and Trailers, Gazebos**

Wooden chalets, 3m x 2.4m, with opening display frontage and clear spaces for owner provided vans, trailers and gazebos are available around the outdoor MFDF display area. These spaces again are calculated on a 3m frontage and does not include additional widths above 3m nor does it include space for tables, chairs and BBQ etc. such extra space can be provided, if made known to the organisers in the planning process, but there will be a cost implication. Those inside the marquee will need to cease trading at 5.30 pm on Saturday as

the marquees will be closed up then and be subject to security protocols. Those in the outside area however have the opportunity to trade until 8pm on the Saturday as the live music on stage will be playing until then. Overnight security will be on site from the preceding Wednesday to the following Monday morning.

### **Trydan / Electricity**

Standard, rectangular pin electricity sockets at 240 volts enabled to give a maximum of 13amps can be ordered for light use. Heavy use sockets, up to 16amps, can also be ordered. Please ensure that you have ordered the appropriate electrical requirements on the application form for your stand/unit. It will not be possible to make available any single supplies in excess of 16amps. Electricity used is included in the price of the socket. All of our sockets will accept a standard rectangular pin plug. If you are booking in a chiller van please state your interface requirements. Adaptors are not permitted for safety reasons. Single and multiple outlet extensions are permitted and must be capable of carrying the current you require throughout the two days of the MFDF. In designing the electrical system it is imperative that we be told of any and all electrical equipment that exhibitors will be using. **You need to state the wattage of each appliance being used. This must be clearly noted on your booking form as the electrical load to your stand will be based on the information that you give us. A PAT certificate must cover all cables/leads and equipment and be current on the date of the MFDF.** This is in accordance with regulations 4, 5 and 6 of the "Electricity at Work Regulations 1989" and we will check on this. We cannot allow the use of electric kettles unless it is part of your application. In the past the use of such appliances has caused the electrics to "trip out" due to excessive and unplanned demand on that particular circuit causing problems for us all.

### **Nwy ac Unrhyw Danwydd Arall – Gas and any other Fuels**

You must disclose on your application if you are using bottled gas or any other fuel. We will need to examine the details of every application. If using such you must ensure that no member of the public has access to the equipment and that such equipment is cordoned off, secured and away from electrical connections.

If you are cooking from your stand and there are hot surfaces being utilised you must ensure that the public cannot reach or touch such surfaces. Keep such areas well within your allotted area and ensure that there is a physical barrier between such surfaces and the public.

### **Gwasanaethau/Services**

Apart from electricity which has been dealt with above we will be providing the following:-

1. Overnight security
2. Cold fresh water
3. Trade waste disposable facilities/area. An area will be provided for the collection of waste but you are responsible for getting your waste to the collection area or disposing of it safely and legally yourself. Waste recycling information and facility details are available on request. If you have hot oils, grease or fat that you need to

dispose of, you will need to make your own arrangements to store and remove off site in accordance with statutory regulations. **On no account should such waste be put into the drainage system.**

4. Do not pile waste materials around your stall and leave there for others to clear. **The removal of the waste to an allotted area for later collection is your responsibility.**
5. Medical care is through St. John's Ambulance and para medical assistance. There will be a specific cabin with authorised personnel in attendance as well as an ambulance.

Please do not leave waste on the site at the end of the MFDF and please do not use the portable toilets as a means of getting rid of waste liquids from your stall.

### **Mynediad i'r Safle / Access to the site**

There will be access to the site for exhibitors as from 9am on the Friday. Please keep vehicles to a minimum and do not block road ways and entrances whilst unloading. By Saturday morning we will have locked down the site, secured the fencing, laid out tables, chairs, directional signs and got everything ready for the opening at 10am, so there is no vehicle access to site on the Saturday morning. Once in place it will not be possible to move vehicles off site until close down on Sunday night.

**There will be no vehicle access onto the site on Saturday nor Sunday morning.**

**There is no room for vehicles to be parked on site for the whole of the weekend.**

### **Prisiau / Prices**

|   |                                     |
|---|-------------------------------------|
| Per single stand, total for 2 days to include 1 table | £220.00                             |
| Extra meter inside space                              | £77.00 [per meter or part thereof]  |
| Wooden Chalets  | £550.00                             |
| Vans, trailer, gazebo [outside areas]                 | £330.00                             |
| Extra meter outside space                             | £110.00 [per meter or part thereof] |
| Electricity – supply cables and sockets max. 8amps    | £50.00                              |
| Max supply of 16amps                                  | £75.00                              |
| Extra table/s at a cost each of                       | £6.00                               |

[please be aware that the cost of extra space above the 3 meters will be very strictly controlled.]

### **Y Safle / The Venue**

New Street car park is just a short walk from the centre of the market town of Mold. The MFDF is set up at the bottom end of the car park, firm under foot and the loss of parking for the public is off-set by a free park and ride service. We use the free parking at Flintshire County Council headquarters at County Hall for this service. Free exhibitor parking has been negotiated a short distance away with the kind permission of the Local Health Board. **Exhibitors must use this facility on both days.** There is no exhibitor parking on site nor on the remaining car park and certainly not in the nearby medical centre.

## **Noddwyr / Sponsorship**

If you wish to sponsor all or part of the MFDF there are plenty of opportunities to get your company name known. Contact the MFDF office on 07775 037721 for more information.

## **Sylw yn y Wasg / Media Coverage**

We constantly update the media about MFDF and its participating exhibitors and we receive consistent coverage both in Welsh and English in the local media, radio and television. Press releases are sent out regularly and for specific news items. We are always looking to feature our exhibitors in such stories; so if you have a news story related to your business, let us know and where possible we will feature your business in the press.

Our website, [www.moldfoodfestival.co.uk](http://www.moldfoodfestival.co.uk) receives thousands of hits and we are linked to many businesses and public websites. Please let us know about your business, send us pictures that we can include on our website.

We are also on Facebook and Twitter and encourage you to engage with the festival through your social media channels.

We send out regular newsletters to exhibitors and to supporters thus increasing the publicity opportunities for both ourselves and your business.

Visitors to the festival are given a branded, recyclable carrier bag and an official programme.

We produce promotional leaflets which are distributed all across North & Mid Wales and North West England. Posters are also distributed throughout the area to schools, leisure centres, libraries, supermarkets and independent shops.

[note:- to be listed in the printed MFDF programme you must have paid in full, completed the application form and sent us details about your company no later than July 1<sup>st</sup>.]

## **Y Trefnwyr / The Organisers**

The MFDF Management Board is a group of volunteer members who organise the MFDF unpaid. The Board's aim is to run a successful festival which benefits the exhibitors and the area and in particular the town of Mold and the county of Flintshire and draws attention to the local produce on offer and the Cittaslow status of Mold. We aim to show Mold and indeed Flintshire as a visitor destination of itself with excellent quality visitor experiences. We aim to support local food, local food business and support their sustainability.

**Treasurer:-** Lindsay Hicks [07545 431723]  
[info@moldfoodfestival.co.uk](mailto:info@moldfoodfestival.co.uk)  
[Lindsay\\_hicks@hotmail.com](mailto:Lindsay_hicks@hotmail.com)

The MFDF is strongly supported by the community and by local voluntary organisations as well as Mold Town Council and Flintshire County Council and MPH Builders.

To secure a stand at the MFDF 2019 please return the booking forms attached with all relevant sections filled in.

**All stands must be fully paid up by the 31<sup>st</sup> of May or we will re-let them**

Should you wish to pay by BACS then the account and sort code information is:-

Bank:- HSBC, High Street, Mold.

Account Number:- 21679031

Sort Code:- 40-33-10

We look forward to hearing from you and hope we can make the 14<sup>th</sup> MFDF in 2019 bigger, better and more rewarding all round than ever.

**Exhibitor Parking**

Exhibitors must use the designated car parking area a few minutes away, on both MFDF days. **We cannot support you if you get a parking fine. Parking on New Street car park is not available to exhibitors. Please do not disregard this request.**

We make use of the car parking facilities at the nearby medical centre with their kind permission. However we designate this area for disabled parking, emergency vehicles and some organiser vehicles. This area is also an emergency meeting point for medical, ambulance and police should there be such a call and therefore a whole section is left empty in anticipation of such use. **There is no parking for exhibitors at the medical centre.**

**Please see the next page for more detailed terms and conditions**

## Telerau ac Amodau / Terms and Conditions

1. Whether or not an applicant is offered a space will depend on creating a well-balanced event with a wide choice of stalls although initially we will accept applications on a first come first served basis.
2. 50% of payment must accompany the application [£20 less for those who have paid a deposit] and full payment must be made by May 31st. If not we will re-let your space.
3. If you cancel your stand, fees will be refunded, less £80, but only if cancellation is given before August 1<sup>st</sup> and we are not able to re-let.
4. Exhibitors must conduct their business in a way that does not interfere with the interests of other exhibitors and must not canvas for customers
5. Exhibitors must be selling their main, normal product lines, and should not be selling products not normally associated with their business. In certain product areas we will limit the sellers to maintain choice for the public.
6. Smoking is not allowed in any enclosed undercover area, this includes the Pergolas and not near any combustible materials/containers anywhere on the site. E.g. near gas bottles.
7. All stands must be set up at least 1 hour before MFDF opens to the public at 10am. In the interest of public safety traders must not dismantle nor remove any part of their stand until after the event closes at 5pm on the Sunday.
8. No part of the boundary fence is to be opened or breached in any way at any time. **No one has authority to tell you different.**
9. £5 million of public liability insurance is in place but exhibitors are reminded that they are responsible for their own insurance for their goods and no liability whatsoever is assumed by the organisers for loss or damage however caused. This includes cancellation of the MFDF for any reason.
10. Exhibitors must have current Food Hygiene and Electrical Safety certificates in place as well as their own public liability insurance as they are responsible for their own goods and any matters arising there from including accidents and/or injuries to the public and any related costs arising there from.
11. Supplied passes for exhibitors and staff must be prominently displayed at all times. No re-admittance to the site will be allowed without these passes and/or arm bands. Everyone must wear their arm bands on site or security will ask you to leave. Passes are not transferrable and nearer to MFDF we will contact you with regards to passes and the number you need.
12. All electrical cables, wires and extensions as well as all equipment must have a current PAT certification. We do not allow the use of adaptors. Power used must not exceed what has been booked. Generators are not allowed on site.
13. All exhibitors must clearly display their prices in an easy to understand format and in a size that can be readily and easily read.
14. All exhibitors must comply with Flintshire County Council health and safety and trading standards requirements. The site will be inspected by officers of FCC on the Saturday morning. Please ensure that you comply with all current Health and Food safety legislation
15. Exhibitors must not allow their stand to cover an area greater than they have paid for: i.e. 3mx2m or multiples thereof.
16. Cabin exhibitors must deposit £50 with the organisers to obtain cabin keys. This will be refunded upon return of the key.
17. Any cooking appliances or other hot surfaces must be situated within an exhibitor's stand area and must be enclosed by suitable barriers to prevent accidental contact by any member of the public.
18. All exhibitors must agree to any request by a MFDF committee member to immediately undertake any action deemed necessary in the interests of public safety.
19. In agreeing these terms you also agree for us to update you and send you information via your email address - this will include newsletters as well as direct information concerning your presence at the festival relevant to your business. However if you wish to opt out of receiving information and updates please let us know.
20. All exhibitors are required to prepare and submit a Fire Risk Assessment with their application, which should cover all of their activities during the festival. Exhibitors may opt to complete the blank assessment form at the end of the application form if they do not already have an assessment in place for the festival.

I \_\_\_\_\_ have read the terms and conditions and agree to them:

## Mold Food & Drink Festival 2019

### RECORD OF FIRE SAFETY RISK ASSESSMENT

|                              |  |
|------------------------------|--|
| <b>Name of Unit/Stall:</b>   |  |
| <b>Contact Name on site.</b> |  |
| <b>Contact No. on site:</b>  |  |

In order to comply with relevant fire safety legislation you **MUST** complete a Fire Risk Assessment for your stall or unit. The Risk Assessment needs to identify the fire hazards and persons at risk, you must endeavour to remove or reduce these risks and protect people from fire. Failure to comply with this requirement may result in you being removed from the site. You must be able to answer YES to the following questions.

This signed and completed form must be maintained available for inspection by the Fire & Rescue Service/Event Organiser/Council Officers at all times.

You must undertake a Fire Risk Assessment for your unit, which must be suitable for the circumstances. You do not need to use this form, and may use another method if you wish, however, this form is considered to be suitable for most standard festival stalls and units.

|                        |  |
|------------------------|--|
| <b>Persons at Risk</b> | <b>Employees, Festival employees, volunteers and visitors.</b> |
|------------------------|--|

|   |  |            |           |
|---|--|------------|-----------|
| 1 | Will you be cooking on your stall during the festival?   | <b>Yes</b> | <b>No</b> |
| 2 | What type of fuel will you be using? (Delete as applicable)<br><br><b>Electricity / LPG / Charcoal</b>   |            |           |
| 3 | Are adequate exits provided for the numbers of persons within the unit or stall directly to the site emergency exits?  | <b>Yes</b> | <b>No</b> |
| 4 | Are the exits maintained available, unobstructed, and unlocked at all times the premises are in use?   | <b>Yes</b> | <b>No</b> |
| 5 | Do you have an adequate number of fire extinguishers/fire blankets available in prominent positions and easily available for use?  | <b>Yes</b> | <b>No</b> |
| 6 | Has the firefighting equipment been tested within the last 12 months?<br>Note: a certificate of compliance will normally be required.  | <b>Yes</b> | <b>No</b> |
| 7 | Have your staff been instructed on how to operate the firefighting equipment provided?   | <b>Yes</b> | <b>No</b> |
| 8 | Have your staff been made aware of what to do should an incident occur, how to raise the alarm, evacuate the unit, and the exit locations?<br>All of your staff should be familiar with the festival emergency procedures. | <b>Yes</b> | <b>No</b> |
| 9 | Have you identified combustible materials that could promote fire spread beyond the point of ignition such as paper/cardboard, bottled LPG, etc, and reduced the risk of them being involved in an incident?               | <b>Yes</b> | <b>No</b> |

|    |   |     |    |
|----|---|-----|----|
| 10 | Have you identified all ignition sources and ensured that they are kept away from all flammable materials?  | Yes | No |
| 11 | Are you aware that sleeping within units is strictly forbidden.   | Yes | No |
| 13 | Are you aware that you must not stock or sell certain items, ie, fireworks, garden flares, etc?   | Yes | No |
| 14 | Do you have sufficient bins for refuse? Is all refuse kept away from your unit?   | Yes | No |
| 15 | Are you aware that generators are not permitted on site?  | Yes | No |
| 16 | Are you aware that smoking is not permitted within any stall?   | Yes | No |
|    | <b>IF YOU USE LPG complete the following questions:</b>   |     |    |
| 17 | Do you have an inspection/gas safety certificate for the appliances and pipework (copy to be available for inspection) and are all hose connections made with "crimped" fastenings? | Yes | No |
| 18 | Are the cylinders kept outside, secured in the upright position and out of the reach of the general public?   | Yes | No |
| 19 | Are appliances fixed securely on a firm non-combustible heat insulating base and surrounded by shields of similar material on three sides?  | Yes | No |
| 20 | Are the cylinders located away from entrances, emergency exits and circulation areas?   | Yes | No |
| 21 | Are the gas cylinders readily accessible to enable easy isolation in case of an emergency?  | Yes | No |
| 22 | Do you ensure that all gas supplies are isolated at the cylinder, as well as the appliance when the apparatus is not in use?  | Yes | No |
| 23 | Do you ensure that only those cylinders in use are kept at your unit/stall? (Spares should be kept to a minimum and in line with any specific conditions for the event).            | Yes | No |
| 24 | Is a member of staff, appropriately trained in the safe use of LPG, present in the unit/stall at all times?   | Yes | No |

**If you have answered NO to any of the above questions please provide details below of the risk reduction measures you will be taking at the festival.**
